

JTC LAW

INVESTMENT FUNDS (JERSEY & CAYMAN ISLANDS)

Our fund clients range from leading asset managers and fund promoters through to start-up ventures. Our dedicated team of experts advise financial institutions, international and private family offices, sponsors, professional service providers and global businesses.

We work across the full spectrum of legal entity types, open and closed fund structures, strategies and assets, including private equity, real estate, venture capital, distressed assets, secondaries/continuation funds, infrastructure, credit, debt, digital assets and sustainable investments.

JTC Law's Investment Funds Practice is equipped to support your needs across the full life cycle of investment funds, with services including:

INVESTMENT FUND SERVICES

- Fund structuring and formation (including project planning and management)
- Establishment of fund managers and advisers
- Fund relocations and redomiciliation
- Regulatory and governance advice (including director and team training)
- Capital raising and subsequent closings
- Hybrid and co-GP structurings
- Fund and subscription financings
- Managed accounts
- Investment acquisitions and divestment
- End-of-life exit or restructuring options
- Fund disputes
- Tokenisation, blockchain and cryptocurrency
- Mergers and acquisitions for funds, assets, managers and advisers
- Listings
- Legal and regulatory healthchecks
- Investor side due diligence
- Incentive and carried interest schemes
- Distressed and insolvent fund advice

In addition, JTC Law has particular expertise with first-time and early stage fund managers in private equity, real estate and venture capital.

By providing end to end support and solutions every step of the way, we help make launching funds, making investments and the creation of value as easy, straightforward, fast and certain as possible.

Our JTC Law team would be delighted to hear from you. Please contact any of our team to discuss how we can assist you.

ABOUT JTC LAW

JTC Law is an independent law firm specialising in corporate, fund, and private wealth matters. As a trusted partner of JTC Group - a globally renowned FTSE 250 professional services provider - we deliver holistic, personalised legal support, always tailored to what matters to you most.

Our team of lawyers is recognised by Chambers, Legal500, and IFLR as among the world's leading professionals, combining deep expertise in both offshore and international legal practice. We offer practical, straightforward advice on trusts, corporate law, commercial transactions, and regulatory matters, supporting individuals, families, and businesses across the globe.

At JTC Law, we believe that legal advice should be easy to understand, responsive, and genuinely impactful. That's why we focus on building trusted partnerships, transparent pricing, and tailored strategies that help you move forward with confidence.
